RESPONSE TO RESTRICTION REQUIREMENT

Sir:

INTRODUCTORY COMMENTS

Applicant hereby responds to the Office Action mailed on March 20, 2007 in the patent application identified above. Applicant respectfully requests withdrawal of the restriction requirement insofar as it makes a distinction between the subject matter of the claims in "Group D" from that of "Group A" described in the Office Action, and reconsideration of the application wherein Group A and Group D are joined in light of the arguments made herein.
